Stage 3 2019 Excursion to Canberra

Dear Parents/Carers,

Next year as part of our History Unit, 'Australia as a Nation', we will be taking the Stage 3 students to Canberra on a three day, two-night excursion.

The excursion is to be held in June 2019, Term 2. Students from Year 5 and Year 6 are expected to attend this highly educational trip. It will also enable the stage to bond together and learn vital skills in resilience and learn more about the role of our government in our society. The students will also visit The Mint, Questacon, Institute of Sport, CSIRO and the National Museum.

The cost of this excursion is estimated to be $370.

Deposits for the trip will be requested in early Term 1 2019. A payment plan will be established at this time to assist families to cover the cost.

I hope this letter provides you with sufficient information so that you are aware ahead of time of expected costings for the Stage 3 Camp 2019.

Kind Regards

Mrs Williams
Assistant Principal

Mrs Betts Smith
Principal
