## **FRIDAY CHESS COMPETITION**

Dear Parents,

I have attached a copy of the draw and addresses of participating schools for your information.

**Our first two games are Home Games, followed by an Away Game in Round 3.** Games will generally be over by 4.30pm, with some perhaps going on until about 4.45pm.

When we have a Home Game please arrange for your child to be collected **by 4.30pm** if you are not coming to watch the game. Home games will be held in the 5 Purple classroom.

If your child is being taken to an Away Game by another parent, your child will be dropped off at your home unless otherwise arranged. All driving parents will need to submit their comprehensive car insurance details. Please let me know if you wish to make an alternate arrangement. Your child can be dropped off at After School Care if you wish.

I have attached the draw for the competition. **I will chat with all parents at our first home game to organise a driving roster for all away games.** Once this is finalised, I will send home an Away Games timetable for you to place on display so you know who will be driving and when.

Students will meet **at 3.15pm each week** at the Office steps. Parents taking students to Away Games will then collect a scorecard and head off. During Home Games, students will meet Mr A at 5 Purple straight after the bell to set up the chess boards.

We are looking forward to an excellent year of chess competition!

Kind Regards,
