

Instrument Hire Agreement

Grays Point Public School is pleased to provide your child with a school instrument for his/her use in 2024. This year the hire fee will be \$40 per term, for any instrument that the student will be responsible for between school and home. This is to cover the costs of instrument hire, service and repairs. The school will invoice these fees in your term costs.

At the end of the school year the instrument is to be returned to the school. It may then be reissued for the following year, when a new hire agreement has been completed.

REPAIRS: Your child will be taught how to look after their instrument. This usually happens during the first individual lessons. If you have any problems with your instrument, please talk to your Band Coordinator if you have a school hire instrument.

Percussion/Keyboard Students will not need to purchase an instrument, as they will use the school keyboard and equipment for practices and performances. Keyboard students are expected to have access to a piano or keyboard to practice on and to continue to have lessons with their piano/keyboard teacher. There will be a \$30 fee for the year to use these school instruments. The school will invoice these fees in your term costs.

Bass Guitar and amplifiers are not generally available for hire and will need to be bought for home practice. However, the school amplifier can be used for lessons and band practice/performances.

Thank you

Kind Regards

Band Coordinator
Helen Eastcott

Principal
Narelle Betts Smith
